

FILTRATION ADVANTAGE LLC

FILTRATION and SEPARATION Products, Systems and Solutions

FILTRATION PRODUCTS

Filtration Advantage's knowledgeable team has over 25 years of experience in the filtration industry working with operations, R&D, product support, engineering, and distribution. Our knowledge and insight about products and solutions have increased process performance and/or operating margins.

Let us help you optimize process and costs. Contact us today.

Global Filter

- High-purity pleated filters and membranes used in a wide range of industries
- Large selection of filtration medias for purity, high temperature, viscosity, and flow
- Clean room manufactured to insure highest quality and purity
- Customized products for customers' specific needs
- Filter vessels
- High flow filtration systems
- Made in the USA

Jonell

- Pleated and depth filters for gas and liquid applications
- Pleated and depth coalescers for gas and liquid applications
- Coalescers for phase separation
- Activated carbon canisters and bulk carbon
- Filter bags for dust collection systems
- Vessels and internal parts
- Two phase liquid separation elements

Kaydon Filtration

- Jet & Diesel fuel Filters/Separators/Coalescers
- Turbine Oil Filtration (Turbo Toc)
- Vacuum Dehydrators
- Filtration Systems
- Hydraulic Filtration
- Coolant Filtration
- Pressure and Gravity Oilers

Zinga

- Spin-on filters
- Pressure line filters
- In-tank filters
- Suction strainers and diffusers
- Reservoir accessories

Filtration Group (formerly Mahle)

- Hydraulic and Lube oil filters
- Return Line Hydraulic and Lube oil filters
- Duplex Hydraulic and Lube oil filters
- Filtration Systems and Modules
- Oil monitoring

Clear Edge

- Press Filter clothes
- Belt Filters
- Cloth Filters
- Made in the USA

FILTRATION ADVANTAGE LLC

FILTRATION and SEPARATION Products, Systems and Solutions

Koch Filter Corporation
Filtration Products Crafted with Pride

Koch Filter Corporation

- Panel air filtration products
- Commercial and Industrial Filtration – including clean room
- Green Building Projects, Environmental Sustainability and LEED Certification
- Dust collection filters
- Gas phase absorption filtration applications
- Made in the USA

Reading Technologies Inc.

- Compressed air filtration and engineered solutions
- 99.97% water removal
- Patented inverse depth separation
- Regulators and FRL
- Made in the USA

Knight Filter Corporation

- Standard and high-performance bag filters
- Extended life bag filters
- Bag, strainer, and cartridge filter housings
- Made in the USA

Main Filter

- Hydraulic Filter Elements
- Industrial Filter Elements

Matrix Separations

- High-performance string wound filters
- Standard string wound filters
- High-performance melt blown filters
- Resin bound filters
- Carbon cartridge filters
- Made in the USA

Royal Filter

Royal Filter Manufacturing

- Manufacturer of high-quality replacement liquid filters
- Manufacturer of high-quality replacement air filters
- Made in the USA

WIX Filtration

- Air, coolant, lube, and fuel filters
- Serving diesel, automotive, industrial, agricultural, and power generation markets
- Made in the USA

Todd Technologies Inc

Todd Technologies Inc.

- Desiccant Air Breathers
- Desiccant Air Breathers with check valves
- Made in the USA
